This week at Ellowes Hall

THEME OF NEXT WEEK: Holocaust Memorial Day

HERO & SONG OF NEXT WEEK: Carl Lutz / *Dance Me To The End Of Love*

by Leonard Cohen **CAREER OF THE WEEK:** Historian

Headteacher's Introduction

I would like to begin by once again thanking our students for the resilience, maturity and positivity they showed last week as we continue to manage the challenges caused by the ongoing issues with the heating system in the main school building. Last week also brought an unexpected power cut on Monday morning, which unfortunately meant we had to close the school early for health and safety reasons. As always, our students responded calmly and sensibly, and I am very grateful to parents for their understanding and support in what was an unavoidable situation.

I would also like to express my sincere thanks to our staff, who continue to work tirelessly and flexibly to support students' learning and wellbeing during this period. Their professionalism and commitment have been greatly appreciated.

While the Humanities Building, X Block and the Sports Hall operate on separate heating systems and continue to function as normal, we have invested further in temporary heating solutions to help keep the main building as comfortable as possible. Temperatures are being closely

monitored, and the safety and wellbeing of everyone in our school community remains our absolute priority.

Despite these challenges, it has been wonderful to see improvements in both attendance and the number of positive achievements earned by students, which truly reflects how fantastic they are. School life has continued at pace, with a wide range of activities taking place this week, many of which are highlighted elsewhere in this newsletter. These have included welcoming primary school pupils for a multi-skills competition led by our student sports leaders, ongoing sporting fixtures, and a variety of educational visits ranging from Gornal Library to the West End.

Students will continue to benefit from enriching opportunities, including visits such as the Poetry Live event on Monday and the trip to Iceland this week. Finally, I would like to thank all the parents for your continued support and partnership with the school.

We have the unique opportunity to offer students the chance to attend a one-off Silent Disco event at the end of this half-term (see poster for details). A Silent Disco has all the usual lights, a DJ and loud music but also we switch to headsets which have three selectable channels for your choice of what you listen to. There is a limit on how many headsets and therefore there is a maximum number of only 250 places. This will be a ticket only event with no availability to pay on the door. Payment for your entry will have to be made on parent pay and you will collect your ticket on the door at the event.

Thursday 12th February 2026

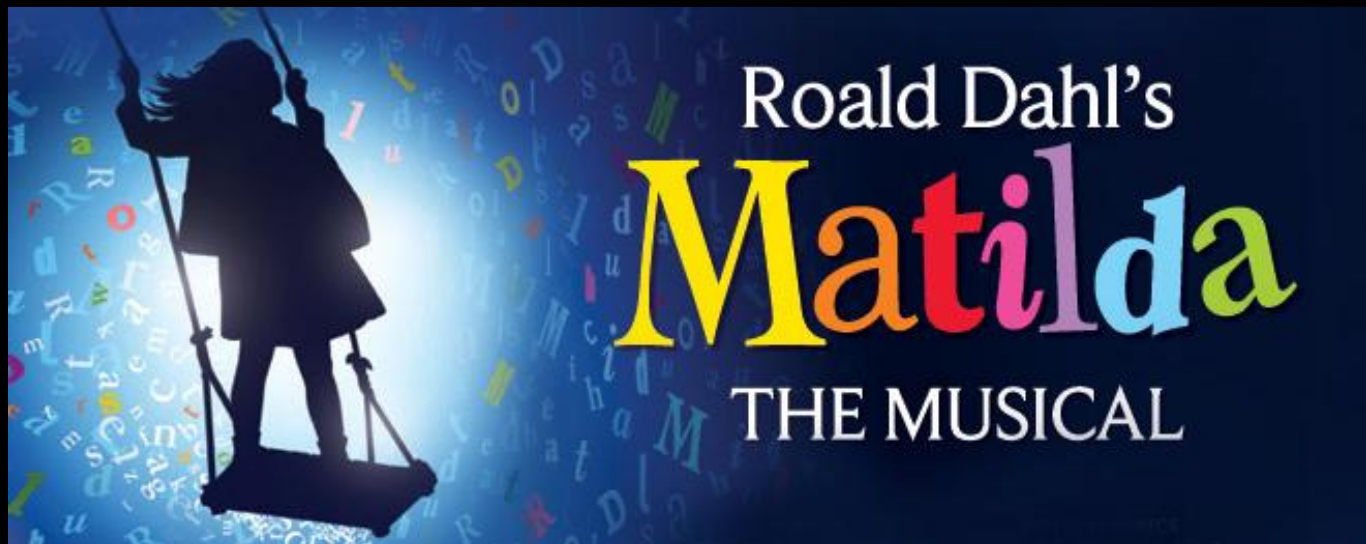

Valentines Silent Disco

18:00hrs - 20:00hrs

This is a TICKET ONLY event and tickets are available on Parent Pay for £4.00

There is a variety of stalls including refreshments of sweets, crisps and pop. Your £4.00 enables entry to the disco and your own personal headset.

On Wednesday 89 students from Y7 – 11 went to London to see the hit West End Musical Matilda. For many this was a thank you for performing in the school production of Frozen last summer and for some such as the Y7 cohort it was an opportunity to ignite the performing arts spark.

"A huge thank you to everyone who donated money, food, blankets and towels to The Bungello's fundraising efforts for Birmingham Dogs Home. We delivered donations this week and staff were overwhelmed by the efforts made from our school. This will make a real difference to the dogs living in kennels there. We raised a huge £396 which will fund health care, training and much more! Students have learnt valuable skills and knowledge around the work the charity do and we will be continuing our efforts to support local charities moving forwards."

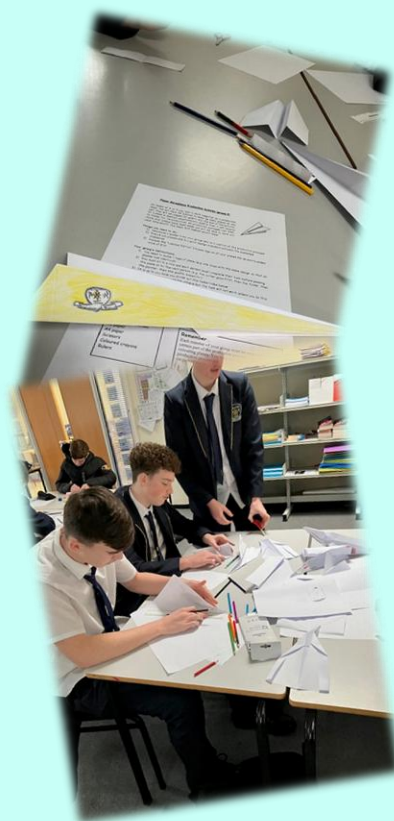

Year 10 Child Development students playing in preparation for writing their next piece of coursework. They are experiencing the toys an 18month old would play with to give them experience ready to complete the section of work about how children play and their development. We are looking forward to seeing how well they write given the real-life experiences of construction, sensory and imaginative play used to inspire them!

Aeroplane production lines in GCSE Business!

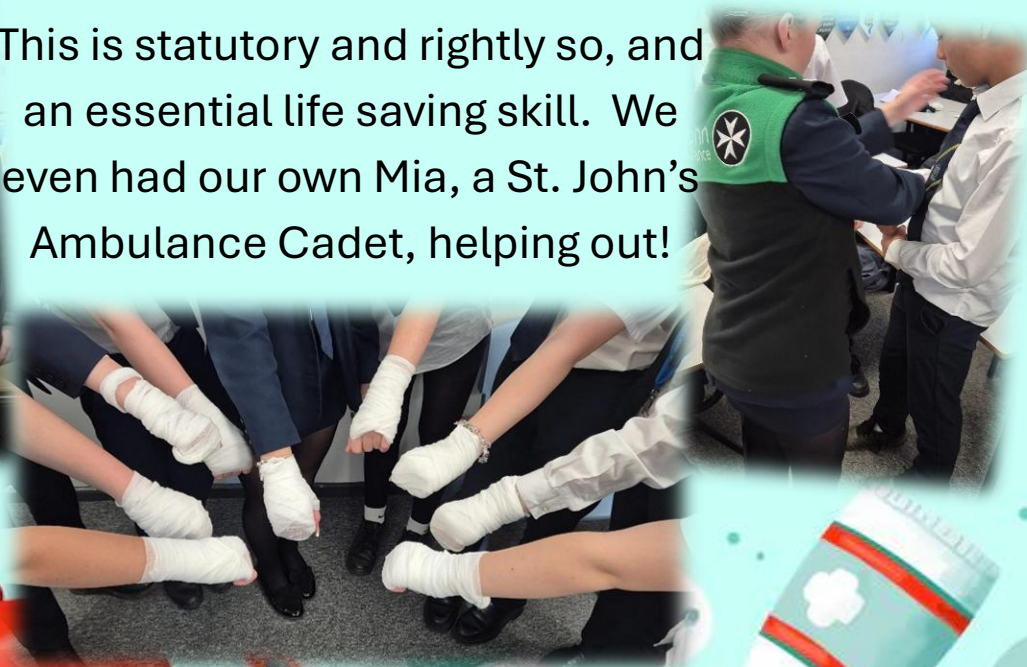

As part of their GCSE Business curriculum, Year 11 students have been producing aeroplanes. Each team were given a different method of operation and had to create their aeroplanes as per the instructions. This simulated job, batch and flow production. At the end, they were able to test them out!

First Aid lessons in ACHIEVE

Our Year 9 students have been learning how to do basic first aid and CPR as part of their ACHIEVE curriculum.

This is statutory and rightly so, and an essential life saving skill. We even had our own Mia, a St. John's Ambulance Cadet, helping out!

Sport at Ellowes Hall

A selection of year 7 students stayed for an extra curricular session delivered by The Virtual Golf Hut. The students got to try their hand at putting and chipping exercises and also played golf games on the virtual simulator.

The U14 Basketball Ellowes vs Kinver The girls played a tough game of Basketball against Kinver on Wednesday evening. Facing a squad of 20 the girls worked tirelessly to keep energy high, win back possession and finished the game with a 4-2 win.
Miss Parkers Player - Lola F and Aaliyah S-J.
Players Player - Kyra C

Massive well Done to **Lewis in Year 9** who competed in the regional Cross Country event last weekend. An excellent achievement!

Leadership

Ellowes Hall hosted the Dudley Year 1 and 2 Multi Skills Competition this week. 28 Sports Leaders from Y8 & 9 lead a variety of activities for the children to take part in. Our leaders displayed excellent communication skills and were great role models for the young children.

Uganda

A massive thank you to all the students that have supported the 'Letters to Uganda Project' this year. We raised £177 in total and the equipment pictured, along with a donated mobile phone and Year 8 letters are now on their way.

Year 7 visited Gornal library again this week to understand what the library has to offer for our reading for pleasure initiatives, as well as independent research and online resources. They thoroughly loved it and we thank the staff there for their support.

Our aim is that all of Year 7 by the end of the year will have had opportunities to visit and take out some good reads! A huge thank you to our local community volunteers who have responded to Mrs Jones' email too about reading volunteers! We've had an amazing response, and Mrs Jones will be in touch over the next week.

This weeks Featured Poem!

The Garden Year (1834)

January brings the snow,
makes our feet and fingers glow.

February brings the rain,
Thaws the frozen lake again.

March brings breezes loud and shrill,
stirs the dancing daffodil.

April brings the primrose sweet,
Scatters daisies at our feet.

May brings flocks of pretty lambs,
Skipping by their fleecy dams.

June brings tulips, lilies, roses,
Fills the children's hand with posies.

Hot July brings cooling showers,
Apricots and gillyflowers.

August brings the sheaves of corn,
Then the Harvest home is borne.

Warm September brings the fruit,
Sportsmen then begin to shoot.

Fresh October brings the
pheasant;
Then to gather nuts is pleasant.

Dull November brings the blast,
Then the leaves are falling fast.

Chill December brings the sleet,
Blazing fire and Christmas treat.

Our featured poet this week is **Sara Coleridge**. Born in Cumbria, Sara was the daughter of the Romantic poet Samuel Taylor Coleridge. Poetry formed the background of her childhood, as her parents were close friends with the poets Robert Southey and William and Dorothy Wordsworth. These writers were part of a group of poets, known as 'the Lake poets', who were closely associated with the majestic landscape of the Lake District.

Remember! If you want to be
a Poetry by Heart **superstar**
bring your poem to **Miss**
Britten-Jeavons in E2.

Why not use our featured poem to
inspire you to try write your own
poem about how the seasons change,
or your own favourite season.

Parent/Carer Guide

How to log into Sparx to complete homework from home

Weekly homework will be set on the following days and then due on the same day the following week.

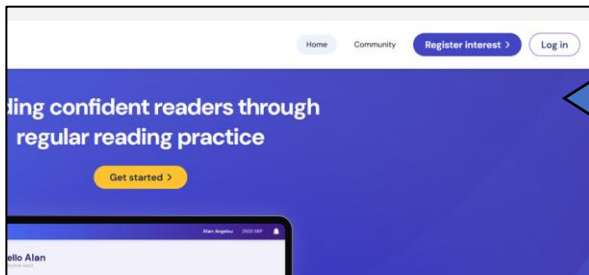

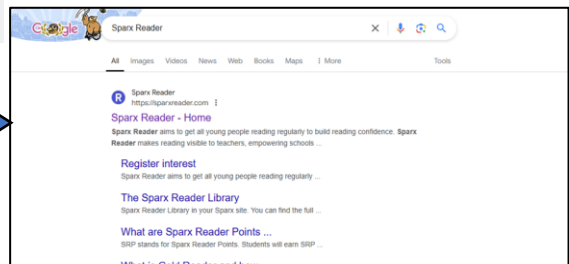

- Monday: Sparx Science
- Wednesday: Sparx Maths
- Thursday: Sparx Reader

Students can log into Sparx through either [the link on their Arbor page](#) or through a search engine such as Google.

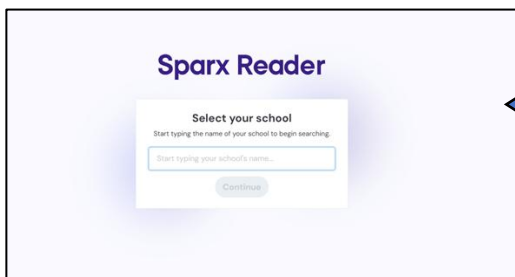

| Subject | Homework set | Homework due in | Detention Night |
|---------|--------------|-----------------|-----------------|
| Maths | Wednesday | Wednesday | Thursday |
| English | Thursday | Thursday | Friday |
| Science | Monday | Tuesday | Tuesday |

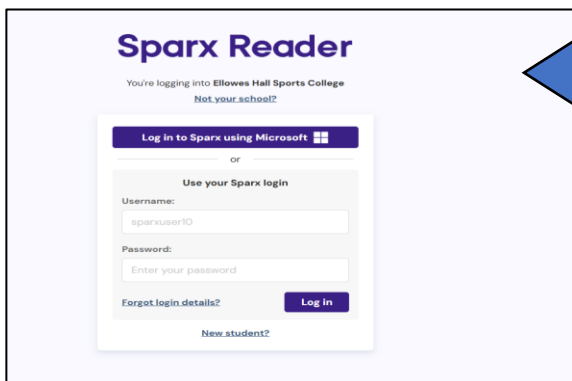

If accessing via Google, students will need to type Sparx Science/ Sparx Maths/ Sparx Reader into Google and select the first search result that appears.

Once they have clicked on either the link on Arbor or the search result on Google they need to click the white log in icon in the top right corner and then select student log in.

They will then be asked to select their school, which will appear as they start typing in Ellowes Hall Sports College

They can then click the purple box that says 'log in to Sparx using Microsoft' and then use their school email and password to log in. Their password is the same password that they use to log into any computer in school.

Any homework students have been set will appear. Students can continue to read on Sparx Reader even after their homework has been completed, and we would encourage them to, especially if they are really enjoying the book they have chosen.

Carousel Homework for Geography and History

- One quiz per week per subject.
- Set and due Thursdays. Monday night detentions.
- Link set by Miss McCormack and Miss Perry to your email. Click this and login with your Microsoft email.
- You have to revise before you can take the quiz (say the answer to each flashcard aloud and then click 'show answer' to test yourself. Self-mark and then move on).
- Take the quiz and self-mark your answers. Be honest as your teacher can see!
