

'Ellow 'Ellow

This week at Ellowes Hall

THEME OF NEXT WEEK: Rewards Week.

HERO & SONG OF NEXT WEEK: Michael Jordan & One Moment in Time by Whitney Houston. **CAREER OF THE WEEK:** Meteorologist

Headteacher's Introduction

We are pleased to confirm that our recent power supply issues have now been resolved through reconnection to the national grid. Heating across the site is operating close to full capacity, with only the Maths and Science blocks currently supported by temporary heaters. We are also hopeful that all remaining repairs will be completed in time for the start of the next half-term.

I would like to thank everyone once again for their patience, resilience, and support during this challenging period. To provide further clarity, I will be holding a meeting at 4:15pm on Tuesday 10th February for parents who would like to attend and hear an explanation of the recent events and the steps taken to resolve them. I would be grateful if you could [complete this short form before 16:00 on Monday 9th February](#) to register your attendance. In addition, staff will be available to support students after school on Wednesday 11th February until 4:00pm for any students who wish to discuss concerns about their progress following the recent closures. We will also be arranging additional online evening masterclasses for Year 11 students to help address any lost learning time.

It has been a pleasure to welcome back the students

from the Iceland Trip and to hear about their fantastic experiences. A selection of photographs from the trip can be found later in this newsletter. Alongside this, it has been encouraging to see the continued enthusiasm and commitment shown through our extra-curricular activities, including the Holocaust Workshop, the Dudley Boccia event—where many of our students represented Ellowes with pride—and the Year 7 Academic Resilience Programme. Both staff and students have continued to engage fully in school life despite the challenges of recent weeks.

As we approach the end of this difficult half-term, I hope that many of our students will be able to attend our first ever Silent Disco on Thursday 12th February. This promises to be an enjoyable and well-earned opportunity for students and staff to come together and celebrate the positive spirit of our school community.

Finally, I would like to thank parents and carers for your continued support, understanding, and partnership with the school. Your encouragement and cooperation have been invaluable during this time, and they play a crucial role in helping us ensure that our students remain safe, supported, and able to thrive.

5187 Positives This Week

Year 7: Nadia F, Archie J, Chloe M, Zack R.

Year 8: Isaac L-P. **Year 9:** Dean S.

Year 10: Rohan C, Luke F, Millie R, Maddie W.

Year 11: Amra A, Abigail U.

If your child is a Student of the Week but we have not included their picture, it means we do not have the necessary consent from you. Please contact us if you would like us to be able to use your child's picture!

ICELAND

On early Monday morning, 45 students set off for Iceland to explore the land of Ice and Fire. Students were exemplary and represented Ellowes in a wonderful way! They saw incredible natural Geography including the Northern Lights, Gullfoss waterfall, geysers and the continents splitting apart! They also tried Icelandic foods, visited the Blue Lagoon and Iceland's first swimming baths, and learnt more about the history and culture all while trying to pronounce Eyjafjallajökull! It was a fantastic trip, and we hope students had as amazing a time as we did! - Miss Perry

Holocaust Workshop

Students in year 9 did a VR (VIRTUAL REALITY) session on the holocaust. The students worked in a classroom-based environment that through VR took them to Auschwitz Birkeneau to see the life experiences of a young Hungarian Jewish lady named Sue. Working along side students from our sister school at Pedmore students were able to look at real life experiences of the holocaust.

Holocaust
Memorial Day

Enrichment Activities – Spring Term 2026 (Jan - Feb)

	Before School				
	Monday	Tuesday	Wednesday	Thursday	Friday

Where: Sports Hall

For who: All Year groups

Cost: £28 for the full course

Speak to Mrs Harris for more info.

Learn the enriching martial art of Jujutsu with:

Taijutsu Kai Schools of Jujutsu

JUJUTSU

Year 8 sports leaders ran an excellent Boccia event held at David Lloyd for Dudley schools on Thursday. They demonstrated fantastic leadership which enabled the event to run smoothly which was a great success. Our Year 7 & 8 team represented the school as participants and performed amazingly well as they came up against some fantastic opposition from the other schools.

13 year 8 students visited King Edward VI sixth form college for a talk and tour of the campus. They were the youngest students ever to visit the sixth form college, which is testament to the ambition that our current year 8s exhibit. All 13 students said they enjoyed the experience and are now wanting to attend when they are older. Many commented that their favourite part of the campus tour was seeing the library. All students agreed that the number of courses that they offer was a big plus, as well as the opportunities for enrichment activities.

Year 7 students recently completed the Academic Resilience program, a provision introduced to support their Secondary learning journey. These students did a deep dive into the world of Willy Wonka – Charlie and the Chocolate Factory. Using their literacy, numeracy and problem-solving skills to not only create their own chocolate bar but to use their knowledge to run their own chocolate factory. An excellent achievement all round.

We have the unique opportunity to offer students the chance to attend a one-off Silent Disco event at the end of this half-term (see poster for details). A Silent Disco has all the usual lights, a DJ and loud music but also we switch to headsets which have three selectable channels for your choice of what you listen to. There is a limit on how many headsets and therefore there is a maximum number of only 250 places. This will be a ticket only event with no availability to pay on the door. Payment for your entry will have to be made on parent pay and you will collect your ticket on the door at the event.

Thursday 12th February 2026

Valentines Silent Disco

18:00hrs - 20:00hrs

This is a TICKET ONLY event and tickets are available on Parent Pay for £4.00

There is a variety of stalls including refreshments of sweets, crisps and pop. Your £4.00 enables entry to the disco and your own personal headset.

Up In The Morning Early (1788)

Cauld blaws the wind frae east to west,
The drift is driving sairly;
Sae loud and shrill's I hear the blast,
I'm sure it's winter fairly.

Welcome to
POETRY BY
HEART

Choose a poem
Learn it by heart
Perform it out loud

Up in the morning's no' for me,
Up in the morning early;
When a' the hills are covered wi' snaw,
I'm sure its winter fairly.

The birds sit chittering in the thorn,
A' day they fare but sparely;
And lang's the night frae e'en to morn,
I'm sure it's winter fairly.

Up in the morning's no' for me,
Up in the morning early;
When a' the hills are covered wi' snaw,
I'm sure its winter fairly.

Robert Burns started life as a ploughman in Scotland but is now one of the world's most celebrated poets. Every January, his life is remembered with singing and dancing on Burns Night. One of Burns' most famous poems, you have probably sung yourself as you welcome in the New Year, is 'Auld Lang Syne'.

Remember! If you want to be a Poetry by Heart superstar bring your poem to Miss Britten-Jeavons in E2.

Why not use our featured poem to inspire you to try write your own poem about how you feel about early mornings - the cold and frost.

Sparx

Parent/Carer Guide

How to log into Sparx to complete homework from home

Weekly homework will be set on the following days and then due on the same day the following week.

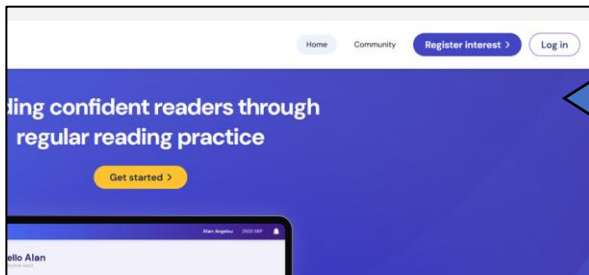

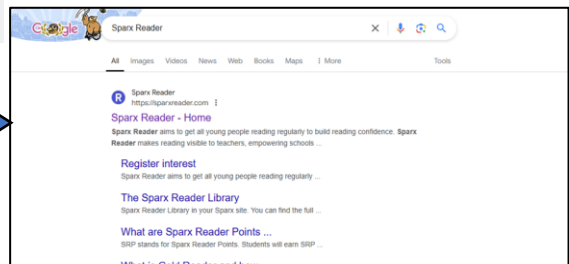

- Monday: Sparx Science
- Wednesday: Sparx Maths
- Thursday: Sparx Reader

Students can log into Sparx through either [the link on their Arbor page](#) or through a search engine such as Google.

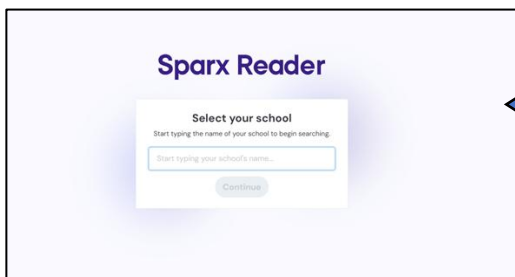

Subject	Homework set	Homework due in	Detention Night
Maths	Wednesday	Wednesday	Thursday
English	Thursday	Thursday	Friday
Science	Monday	Tuesday	Tuesday

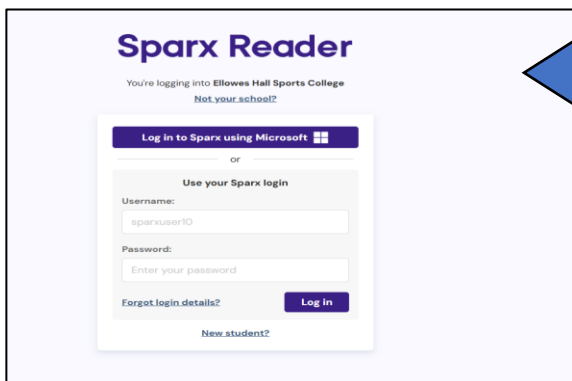

If accessing via Google, students will need to type Sparx Science/ Sparx Maths/ Sparx Reader into Google and select the first search result that appears.

Once they have clicked on either the link on Arbor or the search result on Google they need to click the white log in icon in the top right corner and then select student log in.

They will then be asked to select their school, which will appear as they start typing in Ellowes Hall Sports College

They can then click the purple box that says 'log in to Sparx using Microsoft' and then use their school email and password to log in. Their password is the same password that they use to log into any computer in school.

Any homework students have been set will appear. Students can continue to read on Sparx Reader even after their homework has been completed, and we would encourage them to, especially if they are really enjoying the book they have chosen.

Carousel Homework for Geography and History

- One quiz per week per subject.
- Set and due Thursdays. Monday night detentions.
- Link set by Miss McCormack and Miss Perry to your email. Click this and login with your Microsoft email.
- You have to revise before you can take the quiz (say the answer to each flashcard aloud and then click 'show answer' to test yourself. Self-mark and then move on).
- Take the quiz and self-mark your answers. Be honest as your teacher can see!

**LOVE TO LEARN
HOMEWORK BOOKLET**

This booklet contains a range of tasks from each of your non-core subjects. You will need to use this as part of your homework. Please show your teacher on completion of a task for rewards.

Check in weeks 2025-2026
Autumn term : w/c **8th December**
Spring term: w/c **16th March**
Summer term: w/c **22nd June**

PE LOVE TO LEARN CHECK LIST

How many tasks have you completed? (0-10)

1. Complete a 20-minute workout	
2. Successfully complete 10 lunges	
3. Complete a 5-minute bodyweight circuit	
4. Perform a PE task for one half-term	
5. Demonstrate a 10-second sit-up	
6. Attend a PE lesson in a school or club	
7. Perform a PE task in a school or club	
8. Watch any sports matches in the club	

REWARD CHALLENGE:
Watch a video with your performance and get a photo of your work in a school or club

DRAMA LOVE TO LEARN CHALLENGES

Staff Signature & Date

Create a Poster of the Physical Skills and their definitions	
Design a costume for a new action movie	
Attend a Drama Club for a half term	
Get involved in a Performing Arts showcase (afternoon or weekend)	
Keep your own knowledge of Drama (ask your teacher for your book)	
Design a new set for your favourite TV show or film	
Design a challenge for your class	
Watch a drama on TV and get a photo of your work in a school or club	

KS3 Students (Years 7-9) have also been issued with Love to Learn Homework tasks. These will be checked at 3 checkpoints throughout the year, with effort scores shared with home. Prizes will be awarded for excellent participation!

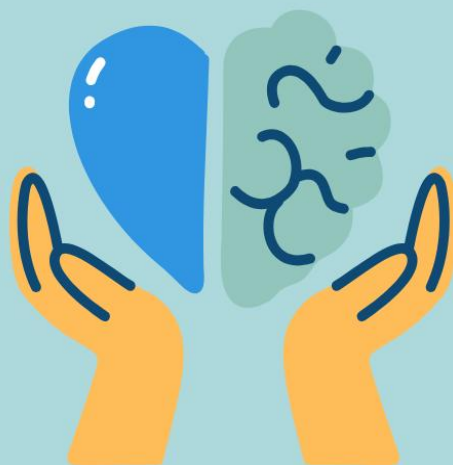

REFLEXIONS DROP-IN SESSION

Drop-in with Reflexions is open to all students who want support on any issues which are impacting on mental health in a confidential space.

Every Thursday
Physical and Sensory Room
1:30 - 2:15

Black Country Healthcare
NHS Foundation Trust

Join us for...

GAME & CHILL

Join the Reflexions team for a fun day where children, young people and families can enjoy their favourite board games together – a chance to make friends, connect and share laughs in a relaxed, supportive space.

Parents to accompany children under 13 years old

Wednesday 18th February

12:00 - 3:00

Here4Youth 1 Castle Street

Dudley DY1 1LA

For additional information or brief sign up form to register your attendance, please email bchft.reflexions@nhs.net or feel free to pop in!
