Headteacher's Introduction

I would like to welcome everyone back and hope you all had a fantastic break. It is always difficult for everyone to find the motivation at the start of January, but we were so pleased to see so many getting straight back into their learning even as other schools were shutting their doors on Tuesday due to the weather. Our Y10 students have made an impressive start to their mock examinations this week and the support of their parents/carers is much appreciated.

As we embrace a New Year, we do so collectively looking back briefly on a jam packed month of events such as; Awards' Evening; Christmas Jumper Day; Christmas Market; Community Christmas Lunch; Performing Arts Christmas Concert, and our end of term pantomime.

We would also like to thank Y11 for their amazing conduct throughout the mock examinations at the start of December. We hope that there will be many happy students when we have our results morning next week, and we look forward to seeing you all at the Parent Teacher Consultation meetings

on 15th January. Please can I ask that you take advantage of this excellent opportunity to sit down with your children and their teachers looking at how and where to make progress to attain above and beyond their target grades in the Summer Examinations.

With every year group now having the opportunity to be tested on their understanding and progress through mock exams in addition to various forms of assessment we have a week of examinations for Y8 in the week before half-term (9th – 13th February). We hope that the majority of students make every attempt to revise and prepare for these exams and along with the resources provided by staff students can use a variety of other external resources such as Sparx, Carousel Learning and Classroom 42. We would also like to remind Y11 that their second and final round of mock examinations will take place during the week of 2nd – 6th March.

Finally, I would just like to wish you all a happy new year and one that brings all our children the success that they deserve.

Performing Arts Christmas Showcase 2025

In the final week of term, our Performing Arts faculty proudly hosted the annual Winter Showcase - a celebration of creativity and talent across all year groups. The evening featured an impressive variety of performances, from heartfelt Year 7 vocal solos to dynamic choreographed dance pieces by our Year 11 students. The showcase truly reflected the dedication and passion of our performing arts students, demonstrated through both the diversity and the exceptional quality of the acts. It was a wonderful opportunity to share these achievements with parents and families, and to enjoy refreshments together after the performances. A huge thank you to the Performing Arts team for their hard work in organising this memorable event, and to the students whose commitment made it such a success.

Welcome to our new staff

Mr Panchal – our new Lead Practitioner of Maths and previously Subject Leader of Maths at Wolverley CofE Secondary School.

“I love maths, teaching, Warhammer, music and digestive biscuits!”

Miss Horne - our new Lead Practitioner of Science and previously second in department at Beacon Hill Academy.

Keep Growing

Congratulations to Eva B who has donated 11 inches of her hair to the Little Princess Trust. The charity accepts hair donations to make real hair wigs for children and young people who have lost their hair. She also managed to raise an amazing £180 for the charity – well done Eva.

Year 10 Work Experience

We would like to remind all Year 10 students and parents that work experience placements should have been secured. If not, please try your best to confirm one as soon as possible so that we can start the risk assessments. Work experience week is Monday 6th July to Friday 10th July 2026. If you need a new form, please contact:

Mrs Toro-Pearce, Careers Leader –
atoropearce@ellowes.dudley.sch.uk

Miss Webb, Work Experience Coordinator –
twebb@ellowes.dudley.sch.uk

Year 11 Destinations

All Year 11 students have had a careers guidance meeting with a Careers Adviser and should have applied to colleges and/or apprenticeship providers. If not, we recommend the following actions:

- Apply online if you know what to apply for
- Attend college open days – these are advertised on their websites
- If unsure of what to apply for, contact Mrs Toro-Pearce, our Careers Leader, for access to your action plan and guidance

Our Poem of the week for January is by one of our very own Poetry Superstars Faith C Year 7

Remember What You Have

Remember what you have,
A house and a bed,
A brother, sister, family
And food to stay fed.

P
O
E
T
R
Y

Remember what you have,
Others may not be so lucky,
Wondering when they will have food in there tummy,
Remembering when they used to be happy.

Remember what you have,
And do not forget,
Who is around you,
Including your pet(s).

Faith's beautiful poem focuses on being thankful and grateful for what we have!

Remember what you have,
Whose promised tomorrow?
You have this life to live,
Don't end it in sorrow.

Remember! If you want to be a Poetry by Heart **superstar** bring your poem to Miss Britten-Jeavons in E2. It can be a topic of your choosing, or you can relate it to our tutor theme of the week.
